On compelling conditions and having no other go, he agreed to pay the demanded bribe to the Government Servant. Therefore, he recorded the conversations that ensued between him and the Government Servant on 28.02.2024 through his phone. As he was not interested in giving the demanded bribe to the Government Servant, he copied the audio recordings into a memory card and enclosed the same along with his report submitted to the Deputy Superintendent of Police, Anti Corruption Bureau, Guntur by requesting to take action against the Government Servant.

Then after observing all legal formalities, the Deputy Superintendent of Police, Anti Corruption Bureau, Guntur registered the complaint of Sri Syamala Ravi Kishore Reddy as a case in Cr.No.04/RCT-ACB-GNT/2024 u/s

Contd.P-5)

7(b) of Prevention of Corruption (Amendment) Act, 2018 on 01.03.2024 at 13.00 hours and took up the investigation.

On 01.03.2024, the Deputy Superintendent of Police, Anti Corruption Bureau, Guntur conducted Pre-Trap Proceedings in his office room between 14.00 hours and 17.15 hours. All other proceedings including reducing the voice conversation into writing, noting down the denomination and distinctive numbers of demanded bribe amount, tainting of phenolphthalein powder to those said notes, the demonstration of chemical test and making of pre-arranged signal etc. were incorporated in the Mediators Report–I (MR-I) in detail. On the instructions of Deputy Superintendent of Police, the Complainant made a call to the Government Servant and ascertained his whereabouts that he is very much available at the O/o.Executive Engineer, Rural Water Supply & Sanitation, Guntur in the ZP compound, Guntur. The Deputy Superintendent of Police seized the sample of Sodium Carbonate and phenolphthalein powders used during the demo of Chemical Test.

A trap was laid on 01.03.2024 to nab the Government Servant in the presence of Mediators. On 01.03.2024 at 17.45 hours the Government Servant was successfully trapped on the road in front of the O/o. Executive Engineer, Rural Water Supply & Sanitation Department office in Zilla Parishad compound, Guntur when he further demanded and accepted bribe of Rs.1,68,000/- from the Complainant for doing the said official favour.

The trap party left the Anti Corruption Bureau Range Office, Guntur at 5.25 PM on 01.03.2024 and reached nearer to the O/o. Executive Engineer, Rural Water Supply & Sanitation Department, Guntur Division, which is located in the premises of Zilla Parishad compound at Guntur at around 5.32 PM on 01.03.2024. On instructions of the Deputy Superintendent of Police, the Complainant parked his vehicle nearby Executive Engineer’s office and he made a call to the Government Servant as instructed by him earlier. After a few minutes, one person came with a laptop bag in his possession and boarded in the back seat of the Complainant’s car. Then the Government Servant made a gesture with his right hand about the bribe demanded by him and the Complainant gave the plastic cover containing the 4 wads of tainted currency notes to the Government Servant, who enquired whether he has given Rs.1,70,000/- for which the Complainant asked the Government Servant to verify the same. At that time the Government Servant insisted the Complainant to tell the quantum of the amount and the Complainant asked the Government Servant to verify by himself. Then, the Government Servant took out the wads of currency notes from the plastic cover given by the Complainant with his right hand and counted the wads of currency notes with both hands and later kept the wads of currency notes in the cover given by Complainant and further kept the cover containing the wads of currency notes in the laptop bag in his possession. At around 5.45 PM, both the Complainant and the Government Servant got down from the car one after another. No sooner, the Complainant relayed the pre-arranged signal by wiping his face with his handkerchief. The trap party members rushed to the Complainant and the Complainant showed the Government Servant to the Deputy Superintendent of Police, at that time the Government tried to move away from the spot by walking briskly on the road towards East. The Deputy Superintendent of Police and his party surrounded the Government Servant by not coming into physical contact with him.

Contd.P-6)

The chemical test conducted on the both hand fingers of the Government Servant yielded positive results. The tainted currency notes were recovered when the Government Servant voluntarily took out the plastic cover containing 4 wads of currency notes from the top side zip partition of the laptop bag in his possession.

The serial numbers of the currency notes recovered from the Government Servant were tallied with that of the serial numbers noted in the Pre-Trap Proceedings. The inner and outer linings of the plastic cover from where the tainted currency notes recovered yielded positive results when subjected to Sodium Carbonate test. The inner linings and the handle of HP laptop bag from where the Government Servant took out the plastic cover containing the tainted currency notes also yielded positive results when subjected to Sodium Carbonate test. The Deputy Superintendent of Police seized the tainted currency notes, Six resultant solutions, One small plastic cover in Lemon Yellow colour with design from which the wads of tainted currency notes in which the Government Servant kept tainted amount, one black colour HP Laptop Bag from which the plastic cover containing the tainted currency notes and a cell-phone under the cover of Mediators Report-II.

During the Post-Trap Proceedings on 01.03.2024, the Deputy Superintendent of Police recorded the version of the Government Servant with regard to demand and acceptance of bribe from the Complainant and recovery of tainted currency notes from his possession. Similarly, the Deputy Superintendent of Police recorded the version of the Complainant as to the happenings after he left the trap party and proceeded towards the road in front of the O/o. Executive Engineer, Rural Water Supply & Sanitation Department office in the Zilla Parishad compound, Guntur, where he paid the bribe to the Government Servant. The Complainant submitted XTREME memory card contains audio conversation between the Complainant and the Government Servant which were recorded by him on 01.03.2024 at the time of giving bribe to the Government Servant.

The Deputy Superintendent of Police copied the conversation in the memory card in the laptop and played the conversation before the Government Servant in the presence of Mediators and the Government Servant admitted that it was his voice. The Mediators incorporated the transcript of the conversation in the Mediators Report-II and the DSP seized the Memory Card. The Complainant issued a certificate u/s 65-B(4) of IE Act that the conversations in the audio clipping recorded in the mobile phone were copied in the memory card is a true reproduction of the original data. The Mediators incorporated the versions of the Government Servant as well as the Complainant. The DSP seized the files/documents/registers connected to the case for further investigation under the cover of Mediators Report-II.
